RE: Water Technology EXPO
April 27-28, 2016
Best Western Ramkota Hotel (605.343.8550)
2111 North LaCrosse Street, Rapid City

South Dakota Rural Water, in cooperation with the many small and rural systems located in Western South Dakota, would like to invite manufacturers, suppliers, and engineering firms to participate in the Spring Water Technology EXPO. **The last several years' attendance has been over one hundred!**

Presentations for the 1½ day event will focus on water technology, distribution and regulatory advances in the water & wastewater field. Table top displays will be arranged around the perimeter of the room to provide easy access to exhibit displays.

In order to provide **REDUCED REGISTRATION** for attendees, we have set the table top display cost at $150/exhibitor. We will also offer exhibitors 30 minutes on the program on a first come first serve basis. We have pre-arranged our program to provide 20 presentations at 30 minutes each. Lunch will be provided.

☐ Yes, we want to reserve a table top display (door prize donation optional).

Company Name: _____

☐ Yes, we want to offer the following 30 minute presentation:

Presentation Title: _____

Presenter Name: _____

(Please return to Jeremiah Corbin at the Madison Rural Water Office)
