Stabilization Pond Workshop	June 6	Huron - Huron Events Center

*The Stabilization Pond class deals strictly with ponds/lagoons and is the best class for preparing to take the Small WW Exam. The Basic WW Treatment class deals with all types of wastewater treatment other than ponds/lagoons and is the best class for preparing to take the Class I WW Treatment exam. Small Systems that use ponds/lagoons for treatment can come into compliance with the Operator Certification Law by passing either the Small WW System exam or the Class I WW Treatment Exam.*

*Water systems serving less than 500 individuals and use wells as its source can come into compliance by passing the Small Water Treatment exam. Larger systems must pass the Class I Water Treatment exam or higher depending on the facility classification.*

The above classes are offered by SDARWS at no charge.

All exams cost \$60.00 and must be taken "in-person."

Any exam can be taken at an exam session. You can take more than one exam at an exam session; however, the exam session remains at three hours long.

All exam applications are due no later than **two weeks** prior to the exam date.

Please contact SD Association or Rural Water Systems (SDARWS) at (605) 556-7219 with questions on registering for training events. Please register for classes at: <http://www.sdarws.com>. Certified operators can obtain contact hours for attending any of the above training classes.

Please contact Tammie Hill at (605) 773-3577 or [tammie.hill@state.sd.us](mailto:tammie.hill@state.sd.us) for questions regarding Operator Certification Exams. You may also find additional information on South Dakota's Water and Wastewater Operator Certification program at: <https://danr.sd.gov/OfficeOfWater/OperatorCert/default.aspx>.
